

TOWN OF CAMPBELL CHIPPING GUIDELINES

These guidelines have been prepared in order to efficiently and effectively provide brush chipping services to the residents of the Town of Campbell. This program is intended for the disposal of limbs/branches that are removed by the property owner for **NORMAL MAINTENANCE AND UPKEEP ONLY**.

The Town **WILL NOT** pick up brush from **LOT CLEARING ACTIVITIES** or from the **REMOVAL OF TREES/BUSHES**. The Town will not collect material produced by a contractor.

SCHEDULE

Curbside brush chipping will be done the **first and third Mondays** of the month from **April to October**.

All brush must be curbside by **7AM** of the **first and third Mondays** of the month. The Town will not pick up brush in alleys.

Brush that is not curbside by **7AM** will not be picked up until the next pick up date. In order to maintain the schedule, brush crews **WILL NOT** return for special pickups.

Christmas trees will be picked up starting the day after Christmas and ending the second week of January.

PILING BRUSH

These guidelines must be followed, if brush piles do not meet these guidelines, the brush/limbs will not be collected until they do meet the guidelines.

Pile brush cut end towards the road and all in the same direction.

Branches or limbs over 6" in diameter will not be accepted.

The length of the brush should be as long as possible, yet easy to handle.

Spread out brush piles if over 4 ft high. Pile as loosely as possible. Keep it easy to unpile.

DO NOT use wire to bundle small branches, use twine.

Stumps, root balls, roots, rocks, rubbish, construction material, dimensional lumber or metal, or yard waste **WILL NOT** be collected.

MAJOR STORM DAMAGE

In the event of major storm damage, the Town will chip brush from storm damaged trees. The Town will determine and announce emergency storm related brush collections.
